Statements:

The practice attitude here at Meridian is very much improved. Many of the boys make special sacrifices to attend. Some of the boys would have achieved perfect attendance if certain unavoidable obligations didn't come up. A great thank you goes out to the five student managers Sara Jo Gurley, Bethany Lintz, Bria Stewart, Rebecca Taylor & Ann Endorf. At least three of the five student managers were at every practice to help out. That says a lot about their dedication and sacrifices as student managers on this team. Much of their time goes unrecognized by those who are at practices and tournaments. Thank you for your support of Meridian wrestling.

Individual Post Season Awards
(As Voted On By Teammates)

Most Improved Wrestler: Bryce Schweer, Soph.

Bryce has made great strides since last season. Bryce is living the true Cinderella story. Last season he only won 5 matches, this year he almost won 30 (27). Bryce also qualified for the State Tournament at 285 lbs. He almost brought home a medal, just losing by

decision in the 3rd round consolation. Bryce's improvement was noticed by his teammates and this is why he was unanimously voted for this award. With continued practice, weight training and maturity Bryce will surely be bringing home a State medal in the seasons to come. Congratulations Bryce!

Most Physical and Most Sincere and Dedicated Wrestler: Riley Noel, Soph.

Riley just edged out fellow teammate Brant Stewart for the most physical wrestler award. Riley and Brant were practice partners and each one made the other better every day. This was the driving force Riley needed to make it to State. With the drive from Brant made Riley that much better. Riley was only

able to win one match at State but it was the valuable experience that will help Riley next season make another charge at State. Riley also was the unanimous winner for the most sincere and dedicated wrestler award. Riley upheld his hold on this award from last season displaying what it takes to be truly dedicated to the sport of wrestling. With growth of knowledge, experience and maturity Riley took the next step and qualified for the State tournament. Riley will step into the leadership role with the departure of the seniors. Riley is ready to lead this team and challenge them to push themselves to greater heights for next season. With another season under Riley's belt look for great things next season.

Congratulations Riley!

Most Valuable Wrestler: Brant Stewart, Sr.

This award has a repeat recipient also, Brant was the lone vote getter for this award. His teammates all agree that Brant was the heart and soul of the team this season. Brant's leadership and dedication to this team made this season special. Brant's pin them all style led him to the State Tournament and Meridian's first State medal in 14 years. Brant's work ethic and desire allowed him to achieve these goals. With the injury of last season behind him Brant focused on getting back to Omaha and another chance to medal this season. This year's trip to Omaha he wouldn't be alone, four other Mustangs decided to qualify as well. This year's trip would turn out to be a memorable one for the coaches as well as the wrestlers. Brant was my first wrestler to medal at State in my nine year tenure; this was a very special experience for me as well. Especially for a young freshman who wanted to quit because he wasn't winning any matches. I told him to stick it out, keep working hard, have a positive attitude and good things will happen. Look at him now! Thank You Brant for 4 great years and Congratulations!

Outstanding Student Managers: Sara Jo Gurley and Bethany Lintz (seniors)

Sara and Bethany have done a great job for the past four wrestling season's. They never shrugged a chore little or big but they always wanted the other managers to get involved and learn their craft. Sara and Bethany were involved in other activities at school or jobs outside of school that made it difficult for them to be a practices or tournaments. They handled the responsibility well juggling all their activities and still being there to move table and chairs for practice. The only regret I will have for them is they won't get the chance to help out in our new practice facility. Thank you both for your dedication to the Meridian wrestling program, you will be greatly missed!
