Meridian began the track season at Concordia on Friday, March 15.

Spring is officially here, which means it's time to start thinking about schedules for next year! I will be meeting with students in grades 6-11 to get an idea of the classes they would like to take. Once a schedule is set for next year, students will have a chance to finalize their selections. As a reminder, all Meridian high school students need 4 years of English and Social Studies, 3 years of Math and Science, 2 years of Fine Arts, 1 year each of Technology, Physical Education, and Vocational or Foreign Language. Parents, please be sure to discuss your student's plan for the upcoming year. Once again, next year's Junior and Senior students will have an opportunity to take dual-credit online college classes. Certain requirements to participate in these classes do apply. Right now, we utilize college resources through Peru State and Southeast Community College. Students also have an opportunity to participate in SENCAP's Career Academy, which is a great way to earn college credits free of charge! Students have been informed of these offerings. Parents, if you have questions regarding these opportunities, please talk to your child or feel free to contact me.

**Seniors ...** it's decision time! If you haven't done so already, it's time to choose the college that's the right fit for you. Compare your college acceptance letters, financial aid award notifications, and campus visit notes. List the pros and cons of each school using the following criteria:

- **Location** – Is the college too close? If you come home every weekend, you won't experience true campus life. Is the college too far away? If so, you may not make it home as often as you'd like.
- **Cost** – Can your family afford the school? What can you expect for financial aid beyond your freshman year? Did you receive renewable scholarships? How much in student and parent loans will you need to cover expenses?
- **Academic program** – Which college offers the degree program

that best fits your career interests? What happens if you change majors? Does the college offer other degree programs that interest you?

- **Student life** – Does the school offer activities you will enjoy? Do you like the living arrangements provided by the school? Will you have an opportunity to work on or near campus?

Make your final decision by **May 1** and then notify the colleges you're rejecting so they can offer your spot, and any financial aid, to another student.

**REMINDER:** Local scholarships are due **APRIL 15th!** The application forms for all scholarships are found on the school website under the administration-counselor tab. Be sure to follow directions and complete all steps of each application. Also, you need to let me know of any scholarships you receive, as those scholarships will be announced at graduation.

If you haven't completed the FAFSA yet, now is the time to do so! Remember, the FAFSA will provide you with a Student Aid Report, which will determine your financial aid eligibility for next year.

**Juniors:** Many of you have taken the opportunity this spring to visit a college of interest. I would encourage more of you to do this if you can find time around spring events. If you need help scheduling a visit, let me know! When you visit, remember to take a "Campus Visit Form" with you so the office can mark it as an excused absence.

**Juniors... these questions will help you narrow your college choices**

By picking your top colleges now, you'll be better prepared to apply for financial aid and college admission early next fall. Start by answering these questions:

**What do you want to study?**

Explore your career interest and then research colleges that offer programs in areas you may want to pursue.

**What kind of school do you want to attend?**

Do you prefer a large university or a small college? Are you interested in a community college? What kind of student/teacher ratio do you want?

**Where do you want to go to college?**

Do you want to live close to home or far away? Do you want to be in a major city

or a small town? How big of a factor is out-of-state or private school tuition? If you want to go out of state, investigate programs like the Midwest Student Exchange Program which may provide discounted tuition.

**What can you afford?** Consider overall costs: tuition, room and board, books, transportation, and personal expenses. Determine what you and your parents can afford to pay out-of-pocket and plan to apply for financial aid to help make up the difference. Calculate the loan debt you and your parents may need to incur to pay for your college education.

Reminder: The registration deadline for the June 8th ACT is May 3<sup>rd</sup>. Go to [www.actstudent.org](http://www.actstudent.org) to register. Fee waivers are available for students who qualify for free/reduced lunch – visit with Ms. Hermsmeier if you would like a waiver. If you have questions or concerns at any time, please feel free to contact me!

**NATIONAL HONOR SOCIETY**

The Meridian National Honor Society would like to thank all those that donated and helped during the NHS Blood Drive. This year, we donated 34 units! Your time and donation is greatly appreciated!

**Plant Sales! -- Seed Packets! --  
New and Exciting!**

It won't be long and we will be thinking about buying plants, flowers, and seeds for the gardens. After attending a workshop on the plant sales, new and exciting plants and seeds will be offered again this year for the fundraiser conducted by grades 7-12 which has started in March. These profits are used by their classes for prom and graduation expenses.

Janet's Jungle is again our distributor and has assured us that the hanging baskets will be full and beautiful this year. More and new varieties of plants and vegetables will also be offered along with packets of seeds which is something new this year. To see a complete listing, you may go to [www.janetsjungle.com](http://www.janetsjungle.com) and look and see what will be available.

Please consider supporting your local class in purchasing your plants and seed packets. Remember—when you buy from a local student, you don't pay sales tax like you do when you buy elsewhere; and these plants are delivered to the school. You save on tax and save on mileage.

Help support the Meridian students as they will be approaching you for sales. All orders must be turned in by April 4. If no one approaches you, look at the website or order form included in the newsletter and place your order to Kathy Houser or Kathy Soukup at the school.

**STUCO**

The Student Council worked hard this past month to make the school a warm environment as spring is finally here. A National Student Council goal is to spread kindness throughout schools and communities. To focus on this goal, our Stu-Co wrote kindness notes to give to the student body.

We hosted the 6th Annual Dodgeball Tournament. Thank you to all the teams who competed. This is a great way to get the community together in a competitive way. Congratulations to You're About to Get Schooled for winning! Also, congratulations to Black Diamonds for getting Runner-Up. Team Nice Deserts had the best costumes with their beachwear. We look forward to another great tournament next year.

The Student Council had our getaway this month. We were lucky enough to tour Memorial Stadium before getting a tour of Husker Vision by Meridian alumni, Lupe Dimas. After that, we gave back by doing a service project with the Center for People in Need. Thank you to Becky Ellis for setting this up for us. For lunch, we decided to get a cultural experience by eating at a Vietnamese restaurant called Pho14. Then, we relaxed by going bowling.

The Elementary Stu-Co is having a Waffle Feed and Silent Auction for Jonie Bachle on April 9<sup>th</sup>, before the music concert. High School Student Council has a few members who are helping. Please come out and support this fundraiser.

This past month Meridian lost two amazing students, Garrett Klipp and Peyton VanWesten, in an accident. Words cannot do Garrett or Peyton justice. All I can say is thank you, Garrett and Peyton, for everything you have done for the school. You will be greatly missed. Our thoughts and prayers are with the Klipp, VanWesten, Kujath, and Schafer families.

Hoping you have an Amazing April!  
Public Relations, Brynn Holtmeier

**JH GIRLS BASKETBALL**

The Meridian Junior High 2019 girls basketball team finished the season with a 9-3 record. They were consolation champs in the Sterling tournament, runner-up in the Exeter-Milligan tournament, and tournament champs in Dorchester. The Meridian girls lost to the CRC champs 24-22, but defeated the CRC runner-up in Dorchester 22-14. The girls were very competitive, worked hard, and were fun to coach.
