Newsletter--May, 2019
Superintendent
Randy Kort

We will be concluding the final weeks of the 2018-2019 school year with graduation on May 11th, and school concluding for the remaining students on the 17th.

We did have exciting news - the Junior High Girls track won Mudecas a few weeks ago and have continued to win other meets. This has been a great team effort. Kayle Pribyl has been pole vaulting and continues to make 10' at a few of the meets. There have been a few who will qualify for the state Jr High meet in Gothenburg on May 11th.

High school track had a new record set with Andi Kort breaking the current pole vault record as she cleared 9'6" and won Mudecas pole vault a couple weeks ago.

Students will be concluding with state testing and field trips so please make sure your child(ren) are completing their work as time is winding down.

Spring is here! During the past few weeks it has been acting like a typical Nebraska spring. Some days are nice and warm while others are cool and rainy. It is a great time of the year as the crops are being planted, the trees are blooming, and mowing is a weekly routine.

I want to begin by letting all know that in March I became married and my new name is Lisa Kruse, so if you see that name, it's still me! Another great year is coming to an end. I have enjoyed many moments this year with Meridian students, parents, community, and staff. Summer is quickly approaching. The seniors' last day is scheduled for May 9th, with the Graduation Ceremony being held Saturday, May 11 at 2:00 p.m. It is important for these students to stay focused during their final days of high school and finish strong!

Senior Information Survey:

All seniors will be given an information survey sheet via Google Docs that must be filled out and submitted by May 3rd. This sheet includes a finalization of post-secondary plans and a listing of scholarships/awards won. If I do not know about them, I cannot share the

news at the Academic Awards Night or Graduation Ceremony.

Seniors Who Took College Credit Courses:

Seniors must request an official transcript from Peru State College or Southeast Community College (depending on where classes were taken) – this includes any dual credit courses taken during high school. Transcript request forms are available online at the college websites. This should be done prior to college registration, so students can have their dual credits transferred to the college they plan to attend. If you need help, please come to my office, and I can help.

THANK YOU NOTES!

Seniors, remember to send thank you notes to providers of any scholarship received. Meridian is very fortunate to have many generous donors to help our students get a good start in college, so please do not forget to thank them for their support of our Meridian students.

2019-20 Schedules:

Current 7-11th graders will soon be finalizing their class schedule for next year. This schedule along with a current transcript will be sent home with each student at the end of the year. Parents, please take a moment to look over these papers with your child.

Seniors ... borrow wisely for college!

Review these tips before you decide how much to borrow in student loans:

- **Borrow only what you need**, even if it's less than the amount offered in your award letter.
- Try to use your student loan money *only* for tuition, room and board, books, and fees. Get a part-time job during college to pay other expenses.
- **Apply for financial aid each year you attend college by completing the FAFSA.**
- **Continue to look for scholarships while you're in college.**
- Keep track of your student loan debt throughout college at nslds.ed.gov.

Juniors... here's your summer to-do list

- **Narrow your college choices** to three or four by the time school starts. Visit some college campuses this summer and check out college websites.

- **Become familiar with the FAFSA** (Free Application for Federal Student Aid). Beginning **October 1, 2019**, you and your parents can complete this form to apply for college financial aid.
- **Update (or begin working on) your resume.** Include extracurricular activities, honors, awards, and part-time jobs.
- **Look for scholarships.** Check out the school counseling webpage and *ScholarshipQuest* at EducationQuest.org for Nebraska-based scholarships, and pay attention to scholarships current seniors have received.
- **Find a summer job to help pay for college expenses.** Ask prospective employers if they offer education assistance programs.
- *If you are planning to take dual credit English, you are highly encouraged to take the ACT Test prior to the 2019-20 school year. Register by May 3 for the June 8 ACT.*

Summer Opportunities:

Mrs. Kruse has been collecting brochures for upcoming summer camps, jobs, and other opportunities! Visit with Mrs. Kruse if you are interested!

ACT:

Remember to register by May 3rd for the June 8th ACT. Go to www.actstudent.org to register. Students who qualify for free/reduced lunch may request a fee waiver from Mrs. Kruse.

As always, feel free to contact me with any questions.

Create, Lead, Inspire!—has been the theme for Future Business Leaders of

America (FBLA) this year. The Meridian chapter as well as the other FBLA chapters across Nebraska have been diligently working on state projects, competitive events, and chapter activities. The State Leadership Conference was held in Omaha on April 4-6 at the Ramada Plaza which registered 2,367 from 137 chapters.

Meridian took 14 chapter members along with their adviser Mrs. Soukup. The members competed in five different tests and attended seminars throughout the conference.

The conference started off with a keynote speaker, Holly Hoffman, who was the last woman standing on Season 21 of CBS' hit reality show "Survivor Nicaragua." Through that experience, and others throughout her life, Holly was inspired to share her message of positivity, determination, and confidence with business leaders across the nation. She inspires her audiences to take opportunities and focus on attitude, determination, confidence, desire, faith, and perseverance.

L to R: Halle Pribyl, Brynn Holtmeier

After taking tests on Thursday afternoon and night and all day on Friday, it is always exciting to go to the second general session to see if Meridian receives any honorable mentions. Other awards were Brynn Holtmeier in Introduction to Business Communication, Evelyn Woitalewicz in Middle Level Business Math and Financial Literacy, Kailyn Paul in Middle Level Career Exploration, and Breanna Boyce in Word Processing.

STUCO NEWS

It's the last month of school! The last quarter has proven to be a busy time. Student Council is proud to have members who are involved in other activities. However, this makes it difficult to schedule meetings. Student Council has made sure to stay busy with

lots of planning and showing gratitude to all those who make the school what it is.

Student Council elections occurred during the later part of April. Lots of students ran, and campaign posters decorated the halls. Results will be in the June Newsletter.

The staff has done so much to ensure a great learning environment for all of the students. Student Council wanted to thank the staff for all that they have done. One way StuCo did this was by giving small gifts to all the teachers during Teacher Appreciation Week. StuCo also thanked the staff members who are moving on from Meridian. Thank you to Judy Grummert, Mrs. Backstrom, Ms. Buck, and Mr. Smith for everything you have done for Meridian!

Meridian is proud to have a very active student body. The last week of April is Student Leadership week, and StuCo celebrates all student leaders. StuCo hung posters on each student's locker that showed all the activities they were involved in. It is incredible to see just how involved everyone is in a small school.

StuCo enjoys doing things for both the elementary and high school. As an Easter treat, Student Council puts on an Easter egg hunt for the high school students. We look forward to the end of the year.

Wishing you a Magnificent May!
Public Relation, Brynn Holtmeier
