Newsletter - November, 2020  
Superintendent  
Randy Kort

It is nice to see a majority of the fields being harvested and the landscape changing day by day. Everyone driving, please be aware of the farmers as they are hauling grain and moving equipment down the roads.

Our Meridian Family has done a great job of wearing masks, as our area is seeing increases in the cases of COVID. Please continue to be safe, wash your hands, wear your mask, and social distance where possible. If there is a need for yourself or your child to quarantine there will be a call from Public Health Solutions or DHHS as they have been helping with contact tracing.

Our sports teams have been able to compete in this year's activities. Sub-district volleyball will be played at Shickley at the end of October, updated games and schedules will be placed on our webpage, Twitter, or Facebook.

Winter sports season is beginning with Jr High wrestling starting early in November, and Jr High basketball at the beginning of December. High school practice will begin on November 16<sup>th</sup>, with the first contests being the first week of December.

Please be advised for any weather related school closing and adjustments from the following media outlets Meridian Public Schools will use for late starts and school closings:

**KLKN - TV:** Lincoln

**KHAS - TV:** Hastings

**KOLN/KGIN TV:** Lincoln/Grand Island

**KUTT/KGMT 99.5 FM / 1310 AM**

**Radio:** Fairbury

**SchoolMessenger:** our All Call system

Everyone stay safe and be careful!

### Regular October 12, 2020 Meeting 7:00 P.M.

Meridian Public School Board of Education met on October 12, 2020, as per notice in the Fairbury Journal-News.

President Bartels called the meeting to order at 7:01 p.m. The open meeting law information was presented.

Roll call was taken: Vorderstrasse-present, Sobotka-present, VanWesten-present, and Bartels-present. Also present were Superintendent Kort, Ms. Hermsmeier, Kezia Connealy, and Delaney Homolka.

Nothing new was added to the agenda.

VanWesten moved and Vorderstrasse seconded to excuse Niederklein from the meeting. Vote taken: Sobotka-aye, VanWesten-aye, Vorderstrasse-aye, Bartels-aye. Motion passed 4-0.

Vorderstrasse moved and VanWesten seconded to excuse Scheer from the meeting. Vote taken: Sobotka-aye, VanWesten-aye, Vorderstrasse-aye, Bartels-aye. Motion passed 4-0.

No comments were heard from the public.

VanWesten moved and Vorderstrasse seconded to approve the consent agenda as presented.

A: Minutes of the Special Budget Hearing Wednesday, September 16, 2020

B: Minutes of the Special Tax Hearing Wednesday, September 16, 2020

C: Minutes of Wednesday, September

16, 2020 Regular meeting

D: District Financial Report

E: Activity Fund Report

F: Hot Lunch Fund Report

G: Bills

Vote taken: Sobotka-aye, VanWesten-aye, Vorderstrasse-aye, Bartels-aye. Motion passed 4-0.

The senior class took the ACT in September. An Americanism committee meeting will be scheduled on November 16, 2020, at 6:30pm.

Superintendent Kort reported that the District's insurance company completed an inspection of the school property and reported a clean and safe work environment. Meridian Public Schools receives a 21 percent reduction in insurance cost from ALICAP as it ranks in the top tier of their safety ratings. The school has not had an incident in nine years and just purchased a lift which improves employees' safety.

Superintendent Kort updated the Board on the Technology Committee's plan and needs for the upcoming year. Jason Statsny is the new ESU tech service provider for the school. It was recommended that junior high students could take their Chromebook home to allow them to complete class work and participate in class. The students would have to enter into the same agreement as the high school students and participate in the insurance program we already have in place.

Superintendent Kort updated the Board on the verbal audit report received from Dana Cole.

The Nebraska Department of Education, The Nebraska Association of Local Health Directors, and our local health department, Public Health Solutions, have all changed their stance on who will have to quarantine in the event that a school student or staff member tests

positive for COVID-19. Previously, a person wearing a mask would not have to quarantine after coming into close contact with an unmasked, infected person. Now, a person wearing a mask still must quarantine for 10-14 days after coming into close contact with an unmasked, infected person. Before, as long as a person was wearing a mask, they were protected from having to quarantine. Now, even if a person is wearing a mask, they will be sent home if they come into close contact with an unmasked person who tests positive for COVID-19. This change forces a change to the school's policy on face coverings. As a result, starting Monday, October 12, masks will be required for all K-12 students and staff in the school district. All students will now need to wear a face covering when social distancing is not possible or when requested to do so by a staff member. At the beginning of the school year, Meridian Public Schools provided masks for all students. The School will provide an additional mask for all K-12 students. Students are permitted to bring their own face covering as well.

Ms. Hermsmeier stated the Junior class is selling masks and gaitors with the mustang logo on them. Orders will be placed every Monday and the masks should be available at the end of the week.

VanWesten moved and Vorderstrasse seconded to approve Policy 1210 with the updated Title IX law which will replace the Districts current policy. Vote taken: Sobotka-aye, VanWesten-aye, Vorderstrasse-aye, Bartels-aye. Motion passed 4-0.

Sobotka moved and VanWesten seconded to approve MEA (Meridian Education Association) as Negotiators for the 2022-2023 school year. Negotiations Committee meeting dates and times were set in November and December.

Superintendent Kort gave the Principal's Report.

**Upcoming Dates:**

November 11: Veteran's Day Program @ 10 a.m.

December 12: ACT Test (registration is due by Nov. 20)

**Red Ribbon Week:**

The end of October was filled with fun and presentations for our Meridian students. The themes for these days were: Be Happy, Be Brave, Be Healthy, Be Drug Free. The students started the week by watching a red ribbon video and pledging to be drug free. Students met our local heroes (fireman and EMT's) and dressed as a superhero on Tuesday. Wednesday they got to enjoy a drug free

scavenger hunt ending with enjoyment of a healthy snack. Two presentations were given. One was by Cole Stark, our ESU5 therapist, and the second was given Officer Kruz Shoenrock, our Security Resource Officer. Topics included were healthy mental health, what a hero is, and leading a drug free life. If you have not done so, please take a few moments to talk to your child about the activities they participated in this week.

**Career Academy/Dual Credit**

**Classes:**

High school students who want to explore a career field and are interested in getting a first-hand look at what college classes will be like by taking a dual-credit college class for second semester, should check out SENCAP's Career Academy. Besides the experience gained, the other big benefit is the cost. Southeast Community College-Beatrice and Meridian will cover the full cost of tuition, which means the only cost to the student is the textbook. This option is for juniors and seniors, but sophomores can be considering the option for next year. Please check out <https://www.southeast.edu/sencap> or talk to Ms. Hermsmeier for more information.

Junior and Senior students also have the option of taking dual-credit college classes from Peru State College. Students are encouraged to stop by Ms. Hermsmeier's office in the next few weeks if they are interested in taking a college class second semester. Class sizes are limited, so early registration is encouraged.

**EducationQuest – A Useful Tool**

**Seniors...a reminder of what to do this fall...**

There's A LOT going on right now with the financial aid and college admission processes, but don't get overwhelmed! Here's a recap of tasks you should complete this fall to stay on track to college.

**1. Complete the Free Application for Federal Student Aid (FAFSA)**

- First, create an FSA ID for you and one for a parent at [fsaid.ed.gov](https://fsaid.ed.gov). You'll need it to access and sign the FAFSA.
- Review our FAFSA Checklist for a list of items to gather before you start the form.

• Complete the FAFSA at [fafsa.gov](https://fafsa.gov). You may also complete it via the new myStudentAid app for iOS and Android.

• If you need guidance on how to complete the form, register to attend a FAFSA Tutorial Webinar on Monday, October 19 or Tuesday, October 20. The webinars will also be held in Spanish on October 19 and October 20.

• For free personal help, you can call EducationQuest to make an appointment:

- Omaha – 888.357.6300
- Lincoln – 800.303.3745
- Kearney – 800.666.3721
- Scottsbluff – 800.303.3745 ext. 6654

**2. Apply to your top college choices**

Hopefully by now, you have some top choices for colleges. Now is a good time to apply to them! Most colleges have a free application process (exceptions are the University of Nebraska and KState), so you won't be out of anything if you apply and change your mind later on. Once you apply, let Ms. Hermsmeier know and you can be added to the Applied to College Wall. As always, if you need help, stop by Ms. Hermsmeier's office.

**3. Retake the ACT and/or SAT. Colleges use your best scores for college admission and scholarships.** Register by November 20 for the December 12 ACT.

**4. Get serious about applying for scholarships.**

See ScholarshipQuest at [EducationQuest.org](https://www.educationquest.org) for Nebraska-based scholarships and a list of national search sites. You can also visit the counselor's website off of the school website at <https://sites.google.com/meridianmustangs.org/schoolcounselor>.

**Juniors...start researching colleges**

If you narrow your college choices by the end of your junior year, your senior year will be less stressful. Here's how to get started:

1. Review College Profiles at [EducationQuest.org](https://www.educationquest.org) for information about colleges in Nebraska and across the country and/or the College Prep Handbook in the Counselors Office. If you're interested in an out-of-state school,

check out the Midwest Student Exchange Program to learn about tuition discounts.

2. **Meet with college representatives** who visit your school, and then visit the websites of the colleges that interest you to learn more about the schools.
3. Once you've narrowed your choices, **schedule campus visits.** Try to visit in the spring of your junior year while colleges are still in session. Remember to get a sign-out sheet from the office BEFORE you go on your college visit.

**This app will help you stay on track to college**

**Download the EducationQuest app** for easy access to tools like *Activities Resume, College Profiles, College Timeline, Reality Check, and ScholarshipQuest.* There's also a calendar that will guide you through college-planning steps - and you can personalize it with your own tasks.

The app will help you stay on track for college with easy access to these tools:

- **Activities Resume** – allows you to record and print your extracurricular activities and awards.
- **College Profiles** – has details about colleges in Nebraska and nationwide.
- **College Timeline** – provides college -planning steps for each year of high school.
- **Reality Check** – helps you find careers that will fund your desired future lifestyle.
- **ScholarshipQuest** – matches you with Nebraska-based scholarships that fit your criteria.

Talk to Ms. Hermsmeier if you would like more information on finding the app.

**HOT LUNCH UPDATE**

The FDA and School Nutrition Program have extended the COVID-19 lunch program until June 30, 2021. Students will NOT be charged for meals regardless of their “free, reduced, or full pay” status. The Pre-K through Second Grade will still be charged for their afternoon milk. Any student who takes only milk at lunch will be charged 30 cents. Students will be charged the current rate for ala carte or second meals. Adult meals are not covered

under this program, so any adult breakfast or lunch will be regular price.

Meridian will reimburse each senior student who has a credit on their lunch account. All other students will carry any credit they may have on their lunch account into the 2021-2022 school year.

**THANK YOU**

Meridian Public Schools would like to thank Alan and Sue Niederklein, along with Eric and Jamie Niederklein and family for donating the October beef and processing for the Hot Lunch Program. We truly appreciate the wonderful support from our community, we would not be successful without you. Thank you!

**National Honor Society**

The Meridian National Honor Society plans to participate in Mustang Merriment, a toy and clothing drive for those in need, for the Holiday Season. Please look for information in this newsletter about donations we plan to collect for our annual Mustang Merriment.

Save the Date! NHS will be hosting a blood drive on Tuesday, March 9, 2020 from 9 a.m. to 3 p.m. through the Nebraska Blood Bank. If you currently donate, please consider donating to our drive. If you have never donated blood before, now would be a great time to start! NHS members will be getting more information out in February and will be setting up appointments closer to this date.

**FBLA**

Meridian FBLA 2020-2021 officers are: President Brynn Holtmeier, Vice President Delaney Homolka, Secretary Kailyn Paul, Parliamentarian Peyton Norine, Reporter Tyleiah Gooding, and Historian Evelyn Woitalewicz. The chapter also has a new advisor, John Adam. Mr. Adam and the officers attended the virtual Fall Leadership Conference that was held over zoom. The first chapter meeting was held October 8th, 2020. Members are looking forward to a great year.

Be on the lookout for sales. This year, Meridian FBLA will be selling Rada, pans, cookie dough, and butter braids. Another project the chapter hopes to implement this year is making designing t-shirts with a heat press as a business idea.

There are many other projects that will be happening throughout the year. Many of these will be for the ribbons chapters receive at the state conference held in the spring.

Happy Fall!

Reporter, Tyleigh Gooding and President, Brynn Holtmeier

**STUCO**

First quarter is officially over, and the Student Council has been hard at work. This past month community service and student safety were the focus of a couple Stu-Co projects. Every year, the Student Council does Reverse Trick-or-Treating to ask for donations for the Make-A-Wish Foundation. Unfortunately, the Student Council had to make the difficult decision to not do Reverse Trick-Or-Treating this year as a precautionary measure due to COVID -19. Stu-Co is planning to do the Halftime Freethrow Competition at home basketball games and we will look for other opportunities to raise money for Make-A-Wish.

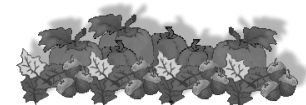

Fortunately, COVID-19 has not been able to stop the Student Council from being able to give back to the community. After the wind storm blew corn husks all over the yards of the Bed and Breakfast in Daykin and Mr. Endorf's house, Mr. Endorf asked if Stu -Co would be willing to help clean his yard. The members and advisors did just that on Friday, October 16th.

A couple of times a year, Student Council promotes driver safety by doing a seatbelt check. Stu-Co members hand out candy to drivers who are wearing their seatbelts.

The Student Council has a lot planned for the next couple months, including vacancy elections and some fun projects to do with the elementary students

Happy Harvest!

Public Relations, Brynn Holtmeier

### FFA

October has been a busy one, but we are so thankful for all the help and support throughout the month! On October 1st, seven students traveled to Auburn to compete in the area Land Judging contest. At the contest, they analyzed different soil characteristics including texture, permeability, slope, and erosion then made land management recommendations based on their findings. Members that attended were Bailey Holtmeier, Kim Schropfer, Erika Schwisow, Erin Kujath, Kailyn Paul, Chase Bartels, and

L to R: Bailey Holtmeier, Kim Schropfer, Erika Schwisow, Erin Kujath, Chase Bartels, Brayden Rut, Kailyn Paul

Brayden Rut. Kailyn Paul received a white ribbon. On October 2nd, Erika Schwisow, Brynn Holtmeier, and Peyton Norine attended a virtual Connecting Chapters training. Connecting Chapters is organized by the Nebraska Farm Bureau to promote agricultural literacy among youth both in school and the community. Throughout the year, members will prepare and present lessons on various topics in agriculture to youth. On October 11th, numerous FFA members showed up to clean up the roadside east of Daykin. Congratulations are in order

L to R: Kymber Schwisow, Ashauna Davis, Rebecca Vinsonhaler

for Kymber Schwisow, Ashauna Davis, and Becca Vinsonhaler for being selected as recipients of the Blue Jackets, Bright Futures scholarship. This scholarship provides a free FFA jacket to first year members who have been actively involved and have plans

to continue to grow in agriculture. Food sales have also begun! Members will once again be selling an assortment of fruit, meat and cheese, and snacks. Money raised through this fundraiser will go towards supporting members attending contests, leadership workshops and state and national conventions. We will be selling through November 3rd. Lastly, thank you to all who have purchased hog raffle tickets!

#### Upcoming Events:

- October 28-30: Virtual National FFA Convention
- November 3: Food Sales Due
- November 4: District Livestock Judging in York
- November 10 at 7:15am: November Chapter FFA Meeting

Sincerely,  
Chase Bartels

FFA Reporter

### NEW TREADMILLS

The Meridian Foundation has been purchasing new equipment for the Fitness Center. On October 22, 2020, 2 new treadmills were delivered and installed. These treadmills replaced the original ones purchased 10 years ago. Thank you to the Foundation for your continued support and help in keeping our building and equipment up to date!

### SUBSTITUTE BUS DRIVER

Meridian is looking for someone who would substitute for our regular drivers. This position would be on an as needed basis and, unfortunately, at times you may have very little notice. Pay would be \$41.65 per route and you would be paid monthly for the previous month's work. If you are interested, please contact Mr. Kort at 402-446-7265 extension 1112. Thank you.

Because Meridian does not have any current backup driver, this may affect your daily routine. If we *cannot* find someone to take a route in an emergency situation, parents may need to transport their children to or from the school.

# Mustang Merriment

In the spirit of the season, the Meridian National Honor Society is sponsoring the sixth annual **Mustang Merriment Movement**. This is a community service project to provide gifts for families of children attending Meridian Public School that are in need of assistance. We hope this year we can help relieve a little of the worry and stress of the season for some families and help bring joy to as many Mustangs as we can.

There are two ways to participate in the **Mustang Merriment Movement**:

### Gift Request

If your family would like to receive gifts, please fill out the form below and return it to the office by November 16<sup>th</sup>. All gift requests will be assigned a number and then distributed. Ms. Hermsmeier will be making the numeric assignments. Please note: all gift requests will remain anonymous.
