Newsletter - August, 2021
Superintendent
Randy Kort

WELCOME to the 2021-2022 school year! I hope everyone has been able to enjoy their summer and had the opportunity to spend some quality family time. I would also like to congratulate all the summer ball programs and their success. Especially the 14U division's softball team with an amazing showing at state and winning the Class D state tournament.

Meridian is preparing for as "normal" of a school year as we can. We continue to encourage masks for any visitor who is not be vaccinated. As I am typing this, it is hard for me to believe that we are less than 4 weeks away from students roaming the hall, volleyball and football games, and the ringing of the bells. It is a great and exciting time for our students as well; time to visit with friends, see staff who have missed them, and take one-step closer to adulthood.

Currently we are anticipating a slightly higher enrollment from last year with a total around 210.

We have 3 new members on our staff this year. Mr. Nore will be our secondary social science teacher, Mr. Becker will be teaching 5th grade, and Mrs. Thomas will be our new elementary SPED teacher, working with Mrs. Henry. Please help the new members feel welcomed and part of the Meridian family.

JUNIOR HIGH SPORTS

With our projected enrollment of 17 boys and 11 girls for Jr. High, we are encouraging all students to consider this opportunity to be a part of the Jr. High athletic program. We continue to work on scheduling of games and practice to help students have minimal conflicts with these events. This is a great opportunity for your child to try a sport and be a part of a team.

FALL ACTIVITIES PARENT MEETING

For parents of students in grades 9 -12, the Fall Activities Parent meeting is scheduled for Monday, August 16th, at 7:00 p.m. after Meridian's Open House. We are asking all parents of students who will be involved in Volleyball or Football to attend this event. The volleyball parents will meet in the gym and football parents in Mr. Adam's room.

BUS ROUTES

Our bus routes are continuing to change and be added to as students have moved into the district. We will plan to have our routes organized and parents contacted approximately August 12th.

Throughout the school year, please notify your bus driver by 6:30 a.m. if your child will not be riding the bus. When you have advanced knowledge your child will NOT be riding the bus, contact the school and leave a message for the driver.

A process our staff has been working on is the PBIS (Positive Behavior Interventions and Supports) for the elementary and secondary levels. Included in the back of this newsletter are the matrices for PBIS. The same information is to be included in the 2021-2022 handbooks.

Yanda’s Music visited Meridian on Tuesday, July 6, to look at our stage lighting and sound systems. They will be putting together a quote with several options to consider. I will keep you updated as I receive the information.

TWENTY-ONE STEPS

November 11, 2021, marks the national commemoration of the centennial of the Tomb of the Unknown Soldier. In honor of this observance, the American Legion and Auxiliary members of the Melvin-Lee Post 198 at Daykin, Nebraska and a Thrivent Action Team are donating the book, *Twenty-one Steps*, to Meridian Public Schools. This book by Jeff Gottesfeld and illustrated by Matt Tavares, gives a sobering and powerful account of how the Unknowns came to be entombed at Arlington and how their fellow soldiers have come to keep vigil over them. The members of the Melvin-Lee Post remember every veteran with respect and gratitude for their service and would like to give the students of Meridian a glimpse into the importance of your sacrifices.
