Superintendent
Randy Kort

First quarter is completed, fall season sports are about to an end and the fields around the area are almost harvested. The next steps in "Nebraska Life" are shorter days, cooler temperatures, and soon snow will be blowing around. We just want to remind everyone to pack your vehicle with the necessary items such as a blanket and water and make sure to top off your gas tank and have a cell phone with a charger readily available. Take some extra time getting to your destinations. When there is bad weather in our area, Meridian will use our All Call messaging service along with the following media outlets for late starts and school closings:

KLKN - TV: Lincoln

KHAS - TV: Hastings

KOLN/KGIN TV: Lincoln/Grand Island
KUTT/KGMT

99.5 FM / 1310 AM Radio: Fairbury

As this newsletter is being mailed out our volleyball team will hopefully still be playing and working towards a chance to compete at state volleyball. Our football team will have its season come to an end. We want to thank both teams for working hard and giving their all to represent Meridian.

Winter sports practice for the high school will begin on November 15th. If your son or daughter have not done so and they are planning to play winter sports, they must have their physical and NSAA paperwork completed **BEFORE THEY ARE ALLOWED TO PRACTICE.**

The daily themes were "We're RED-dy to make a Difference," "Give Drugs the Boot," "Keep Palm & Carry On Drug Free," and "Team Up Against Drugs." Monday we took a red out picture and talked about making a difference. On Tuesday, we practiced line dancing by giving drugs the boot. Wednesday, high school received leis and beach music was played in the commons. Thursday, we had our Halloween parties, and talked to athletes about being drug free. If you have not done so, please take a few moments to talk to your child about the activities they participated in this week.

Career Academy/Dual Credit Classes:

High school students who want to explore a career field and are interested

in getting a first-hand look at what college classes will be like by taking a dual-credit college class for second semester, should check out SENCAP's Career Academy. Besides the experience gained, the other big benefit is the cost. Southeast Community College-Beatrice and Meridian will cover the full cost of tuition, which means the only cost to the student is the textbook. This option is for juniors and seniors, but sophomores can be considering the option for the 2022-2023 school year. Please check out <https://www.southeast.edu/sencap> or talk to Ms. Hermsmeier for more information.

Junior and Senior students also have the option of taking dual-credit college classes from Peru State College. Students are encouraged to stop by Mrs. Hermsmeier's office in the next few weeks if they are interested in taking a college class second semester. Class sizes are limited, so early registration is encouraged.

**EducationQuest – A Useful Tool
Seniors...a reminder of what to do this fall...**

There's A LOT going on right now with the financial aid and college admission processes, but don't get overwhelmed! Here's a recap of tasks you should complete this fall to stay on track to college.

1. Complete the Free Application for Federal Student Aid (FAFSA)

- First, create an FSA ID for you and one for a parent at fsaid.ed.gov. You'll need it to access and sign the FAFSA.
- Review our FAFSA Checklist for a list of items to gather before you start the form.
- Complete the FAFSA at fafsa.gov. You may also complete it via the new myStudentAid app for iOS and Android.
- For free personal help, you can call EducationQuest to make an appointment:
Omaha – 888.357.6300,
Lincoln – 800.303.3745,
Kearney – 800.666.3721, or
Scottsbluff – 800.303.3745, ext. 6654

2. Apply to your top college choices

Hopefully by now, you have some top choices for colleges. Now is a good time to apply to them! Most

colleges have a free application process (exceptions are the University of Nebraska and KState), so you won't be out of anything if you apply and change your mind later on. Once you apply, let Ms. Hermsmeier know and you can be added to the Applied to College Wall. J As always, if you need help, stop by Mrs. Hermsmeier's office.

3. Retake the ACT and/or SAT. Colleges use your best scores for college admission and scholarships.

Register by November 5 for the December 11 ACT.

4. Get serious about applying for scholarships.

See ScholarshipQuest at EducationQuest.org for Nebraska-based scholarships and a list of national search sites. You can also visit the counselor's website off of the school website at <https://sites.google.com/meridianmustangs.org/schoolcounselor>

Juniors...start researching colleges

If you narrow your college choices by the end of your junior year, your senior year will be less stressful. Here's how to get started:

1. Review College Profiles at EducationQuest.org for information about colleges in Nebraska and across the country and/or the College Prep Handbook in the Counselors Office.

If you're interested in an out-of-state school, check out the Midwest Student Exchange Program to learn about tuition discounts.

2. Meet with college representatives

who visit your school, and then visit the websites of the colleges that interest you to learn more about the schools.

3. Once you've narrowed your choices, schedule campus visits.

Try to visit in the spring of your junior year while colleges are still in session. Remember to get a sign-out sheet from the office BEFORE you go on your college visit.

This app will help you stay on track to college

Download the EducationQuest app for easy access to tools like *Activities Resume, College Profiles, College Timeline, Reality Check, and ScholarshipQuest*. There's also a calendar that will guide you through college-planning steps - and you can personalize it with your own tasks.

The app will help you stay on track for college with easy access to these tools:

- **Activities Resume** – allows you to record and print your extracurricular activities and awards.
- **College Profiles** – has details about colleges in Nebraska and nationwide.
- **College Timeline** – provides college-planning steps for each year of high school.
- **Reality Check** – helps you find careers that will fund your desired future lifestyle.
- **ScholarshipQuest** – matches you with Nebraska-based scholarships that fit your criteria.

Talk to Mrs. Hermsmeier if you would like more information on finding the app.

STUCO

The first quarter has ended, and Student Council cannot be more excited about what the members have planned! This past month involved promoting safe driving with the seatbelt check, going “Reverse Trick-or-Treating” asking for Make-a-Wish donations, and painting pumpkins with the elementary. Students and staff were given a piece of candy for wearing their seatbelts. Keep up the safe driving! The Stu-Co raises money for the Make-a-Wish Foundation with donations from “Reverse Trick-or-Treating.” Members went to all of the elementary classrooms to paint pumpkins with the students on October 27th. The pumpkins were then sent home with the students on the 28th after drying. A huge thank you to goes to the Kumpf family for donating the pumpkins and gourds!

Stu-Co looks forward to this next quarter. Current plans include working on a school improvement project and planning the End of the Semester Party. The Council is also working on recognizing students’ birthdays and continuing the recycling program.

Wishing everyone a November full of Thanksgiving!
